

Evgenii Zaitsev

Product Manager · B2B and B2C

zajcev.evgenij42@gmail.com | LinkedIn | Telegram

Saint Petersburg · Russian / English · Technical background

PMP (PMI, 2023) · Certified ScrumMaster (2023) · HSE: Master in Management, professional education with distinction

I develop products at Samolet and build my own venture, EmTalk. At Samolet, my team and I reduced time-to-market from 1.5 months to two weeks and defect leakage from ~30% to 11%. At EmTalk, I led user research and built the team; together, we released two Android apps.

Experience

Samolet | Apr 2026 - present

Product Manager · Internal CRM products

With the team, reduced time-to-market from 1.5 months to 2 weeks and defect leakage from ~30% to 11%. Responsible for two internal CRM products. Built an analytics product with AI assistance, using Python and Streamlit for dashboards and ClickHouse data analysis.

EmTalk | Feb 2023 - present

Founder / Product Owner

Conducted 50+ customer discovery interviews during research and built a team without an initial budget. Together, released BRET and Decision Matrix on Google Play.

Freelance / Project engagements | Jun 2023 - Nov 2024

Project / Product Manager

At Kickidler: roadmap, RACI and MoSCoW. In other client-side engagements: migration to microservices with Kafka and SAP/1C reporting automation.

Statistics & Control / Statcontrol | Jul 2019 - Feb 2023

Technical Product Owner / Project Manager

OptiRamp: discovery, digital twins, forecasting and implementation. Worked in a four-person team on Honeywell DCS and migration automation.

Gazprom avtomatizatsia | Oct 2017 - Jul 2019

Team Leader

Control systems for gas turbines and gas transport facilities. Engineering and on-site team leadership, including assignments beyond the Arctic Circle.

Skills & tools

Product discovery, customer development, stakeholder management, roadmap, prioritisation, Scrum, Kanban. ClickHouse, Streamlit, ICONIX, PlantUML, AI-assisted analytics, SDD. Jira, Figma, PostgreSQL.

Python: basic. Russian: native. English: B2+/C1 (self-assessed).
